Re: WC Docket No. 05-196, DA 05-2358 – Subscriber Acknowledgment Report -
September 1, 2005

Dear Ms. Dortch:

In response to the Commission's Notice released August 26, 2005 in the above-referenced docket, Broadview Networks, Inc. ("Broadview") hereby updates the Commission on the status of subscriber notifications and acknowledgments.

A detailed explanation regarding compliance with the notice and warning sticker requirements is not included herein because Broadview sent out notice and it issued warning stickers to all its VoIP subscribers prior to July 29, 2005.

Broadview has received signed notifications from 99% (all except one) of its VoIP customer accounts. Due to its extensive efforts, Broadview anticipates it will receive affirmative acknowledgements from all its VoIP customers prior to September 28, 2005.

For the one subscriber who has not affirmatively acknowledged receiving and understanding the advisory, Broadview intends to make several attempts over the next few weeks to contact the subscriber and explain the acknowledgment. Consequences for not returning a signed acknowledgment will also be explained to the subscriber. If the subscriber does not return a signed acknowledgment by September 28, 2005, Broadview will apply a restricted dial plan (a "soft" disconnect) that will prevent all outbound calling except toll free and E911. The subscriber will still be able to receive inbound calls. The restricted dial plan will remain in place until a signed notification is returned to Broadview.
